4. Follow the nurse's instructions. If medical treatment is advised, **go to the nearest Urgent Care facility, not the emergency room.**
5. Advise Urgent Care that **your employer is United Talent, not the company you are assigned to.** Our Workers' Compensation carrier is **Zurich, Policy #343488506.**
6. **A 10-panel drug screen is required** at the first medical visit.
7. Complete the WC-1 form and take it to your United Talent office along with the medical release and all other paperwork.
8. If you miss any work, you must keep in contact with United Talent after doctor visits and changes in your return-to-work status.

** Failure to follow these procedures is a violation of Company policy and may delay claim processing or result in denial of claim.*
